TECHNICAL EXPERIENCE

CodeDay, *Software Engineering Intern*, Remote — Jun 2026 - Aug 2026

- Collaborated with a partner to investigate a copyright-detection issue in the open-source ScanCode Toolkit.
- Examined Python testing logic and contributed to updating expected test data to evaluate copyright-detection results.
- Prepared changes through GitHub pull requests and met weekly with a mentor for technical guidance and feedback.

Raices y Cariño, *Social Media & Web Manager,* Watsonville, CA — Sep 2024 – Dec 2024

- Co-led a two-person digital outreach effort, coordinating weekly meetings with the founder to set goals, share progress, and turn feedback into action items.
- Updated bilingual website content in Squarespace, including Spanish-language pages and contact details, to improve the accuracy and accessibility of program information.
- Managed the organization's Google Business Profile and refined its digital presence, increasing profile views and search appearances from approximately 20 to more than 400.

LEADERSHIP EXPERIENCE

Starbucks, *Shift Supervisor,* Salinas, CA — Aug 2026 – Present

- Coordinate floor coverage and support baristas during high-volume shifts, balancing independent judgment with clear team communication.
- Help maintain organized daily operations, service standards, and a reliable customer experience.

Cinemark, *Assistant Manager,* Marina, CA — July 2024 – Aug 2026

- Led and train team members during fast-paced shifts, delegate responsibilities, and adapt operations to changing priorities.
- Maintained accurate cash controls and organized opening/closing procedures while resolving issues independently and professionally.
